

Dahir Abdirashid

Aspiring Web Developer / Clinical Pharmacist

Email: Dahir_A@hotmail.com | Location: London, UK | GitHub: github.com/rashlid

Profile

Aspiring web developer with a background in clinical pharmacy. Passionate about creating responsive, user-friendly web applications. Currently building a portfolio of projects including a To-Do List App, Weather App, and Fitness Tracker App. Seeking to transition into software development roles and bring problem-solving skills from healthcare into technology.

Skills

Web Development:	HTML5, CSS3, JavaScript (ES6+), Responsive Design
Tools & Platforms:	GitHub, Visual Studio Code, Git, GitHub Pages
Other:	Problem-solving, Communication, Teamwork, Clinical Knowledge

Projects

To-Do List App — Interactive task manager built with HTML, CSS, and JavaScript.

Weather App — Fetches live weather data using API calls and displays it dynamically.

Fitness Tracker App — Logs workouts, tracks statistics, and uses local storage.

Experience

Junior Software Developer, TSN Academy — London, UK (Jan 2021 – May 2023)

- Assisted in developing and maintaining internal web applications using HTML, CSS, and JavaScript.
- Learned the basics of bug fixing, testing, and documenting simple code changes under supervision.
- Gained experience working with GitHub for version control and collaborative coding.
- Contributed to improving UI responsiveness and accessibility on small-scale projects.

Clinical Pharmacist, Clementine Churchill Hospital — Harrow, UK (May 2023 – Present)

- Supported medicines optimisation and patient safety across surgical and medical wards.
- Assisted in TTO processing and collaborated with consultants on digital medication plans.
- Coordinated pre-admission assessments and resolved prescribing discrepancies.
- Worked closely with IT support and informatics colleagues to streamline digital workflows.
- Advocated for safer prescribing practices by engaging with digital systems and ePMA tools.

Education

- University of Brighton | MPharm | Sept 2019 – 2022
- Greenford High School Sixth Form | A-Levels: Chemistry, Biology, Mathematics | Sept 2014 – 2016

- Villiers High School | 13 GCSEs, including A*/A grades in Mathematics, English, and Science | June 2014

Volunteer Experience

IT Support Volunteer | 2023

- Assisted small businesses in implementing basic cybersecurity measures, including firewall configuration and endpoint security.
